Dear Friends,

This has been an interesting and challenging year for many of us. Some are still personally recovering from the floods in September, and all of us are still affected in one way or another. Our hope is that the lives of your families are getting back to normal, or better. The good news is that there will come fresh white snow to cover some of the damage along the streams and rivers.

We are all about food this time of year and hope you will check our website for recipe ideas from MooRecipes.com. We are featuring cookie decorating ideas in the newsletter this month and hope you like the shortcut of using Mary's Mountain cookie dough! Visit LongmontDairy.com/cookies for more cookie ideas and to link to our Facebook and Pinterest accounts to share your own holiday decorating ideas and photos with us.

Please love each other a little extra this time of year. It is the Reason for the Season, after all.

Merry Christmas
and take care 'til next time,

Susan and David Boyd
