DECEMBER

Merry Christmas!

Dear Friends,

Eggnog Season is one of the highlights of our year here at Longmont Dairy! We have been making eggnog since the mid 90's. The eggnog bottle design contest began in 1999. Flavored eggnog has proven to be a big hit! You, our wonderful, loyal customers, have been such an encouragement to us!! Thank you for making eggnog a big deal in your homes!

I use eggnog as a substitute for milk in all sorts of Christmas baking and have even had "eggnog parties" with teacups and ginger snaps. I often feel like Santa Claus when I share eggnog with friends and neighbors. We had a neighbor that could have drunk a whole bottle every day (if his wife had let him)! Another friend liked to mix amaretto with eggnog to share with her son as a special treat when he came home for Christmas. My favorite way to share it is at Christmas Brunch with my friends at church. In fact, to many there I am known as the "eggnog lady!" I love that title!!

All of us here at the Dairy sure wish you a Happy Eggnog Season! We hope it will bring some joy to your giving and sharing this Christmas time!

Merry Christmas to all of you from all of us!

Susan

Ronald McDonald House Charities Denver

Light the Houses Radiothon

We are happy to once again be able to help sponsor the Ronald McDonald House Charities annual **Light the Houses Radiothon**, to be held on December 1, on KOSI 101.1 FM. Last year, the drive raised \$240,452 for the families of the Ronald McDonald House. Your support allows these families to be together and close to the medical care they need when their child is being treated at a local hospital. What a priceless gift for the families that stay at RMHC-Denver.

We Asked

What is Your Favorite Way to Serve Longmont Dairy Eggnog?

- I use eggnog in my cream cheese icing, to serve over cinnamon rolls! So yummy! — Erin H.
- By the fireplace, while decorating the Christmas tree, with a heavy splash of spiced rum and a cinnamon stick and a wee grate of nutmeg on top. — Karen G.
- Love it in my coffee! I've even used it to make a cheesecake. — Heather W.
- We make Santa Shakes! To make one, you combine some Longmont Dairy eggnog with peppermint ice cream (which can sometimes be hard to find, but you can substitute vanilla ice cream with crushed candy canes). Blend to shake consistency. Top with holiday sprinkles or more crushed candy canes if you're feeling fancy, or just enjoy the yumminess as is! — Amy B.
- Adult drinking time—add Southern Comfort and grate fresh nutmeg on top. Otherwise just the nutmeg or in my coffee. — Rhonda H.
- You don't serve it, you drink from the bottle! — Tom W.

Customers Love the App!

Have you tried the Longmont Dairy Mobile App? We put careful thought into development, and it has been well received! Here is what a few of our customers have to say:

So fresh and so clean

This app is extremely easy to use. I like that they have pictures of their products. I like how organized and how each item is under their correct category. I like how I receive a text notification about the cutoff date for changes. This helps me keep track of weekly orders, helps me not waste food products, and controls my subscription in one orderly, easy, and convenient app! I like how simple it is to just push a button when I need to skip a week, also.

Super convenient!

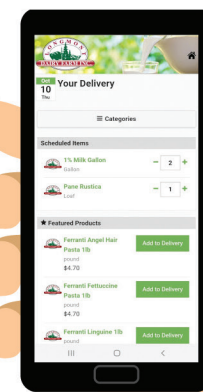

This app has made ordering super convenient. It's so much easier to place an order, change an order, or even to cancel that week's delivery if need be. The reminders have been helpful as well to not miss changes before the delivery cut off.

Very handy

So nice to update or cancel an order from anywhere I might be. And without having to get on the computer.

Love the APP

I used to forget the cutoff time and I'd end up with too much milk. Now the APP reminds me AND I can add to my order if I want. Thank you, thank you!
