# AUGUST Fresh Peaches!

Dear Friends,

The end of summer is approaching. I hope it's been a good one for you. I'm so excited for a better peach crop this year. I was so sad that it was limited in 2020 due to a big freeze that year.

Keep an eye out for some of the delicious Palisade Peaches that we deliver for a short time.

We send out surveys to our customers occasionally and one of the things you've been asking for is an app. Although it took a while to develop, we were so excited to roll it out earlier this year.

You can find it on the Google or Apple stores to download. My favorite feature of the app is that it allows you to set a reminder at the same time every week to change your order.

That way you don't end up with a fridge that is too full from last week's order and you remember extra chocolate milk for an upcoming get-together.

We hope you are able to download the new app soon if you haven't already. Please let us know what you think!

Take care,

*Katie*

## 5 Great Ways to Use Pro-to-Go

- 1 Splash a little vanilla flavor into your cup of coffee. Made with 1% milk and less sugar, it is a healthier alternative to creamer. Careful, customers claim to get hooked!
- 2 Have a glass for your mid-morning or mid-afternoon snack. Or add your favorite ingredients to make a shake or smoothie.
- 3 Put on your cereal in the morning or use it to make your morning oatmeal.
- 4 Serve with eggs for a quick breakfast that will fill you up. The extra protein helps build muscles, plus it has calcium.
- 5 Make a batch of pudding and treat yourself to a-little-bit-healthier dessert.

## Save on Pro-to-Go Protein Milk

Pro-to-Go boosts your protein—14 grams per 8 oz. serving. Only \$3.48 per quart when you order 4 or more. (Regular individual price is \$4.09.) Mix and match vanilla and chocolate flavors.

Great with tortilla chips as an appetizer, and also really good on fish or pork. Makes 6-8 servings.

- 1½ tsp. salt or to taste
- ¼ tsp. freshly ground black pepper or to taste

Chop tomatoes and put in a large bowl. Finely chop onion, and seeded bell pepper and jalapeños, and transfer to the bowl. To dice the peaches, do not peel, and cut into slightly larger pieces. Transfer peaches to bowl.
