Blue Mountain Redeems 6 Millionth Milk Cap

In December we celebrated with Blue Mountain Elementary School, in Longmont, where the first graders turned in the sixth millionth milk bottle cap under the Milk Caps for Moooola program. The school earned a bonus check, awarded by Katie Herrmann, co-owner of Longmont Dairy, and the kids and their teachers celebrated with cookies and milk (of course).

Over 370 schools in the region are participating in Longmont Dairy's Milk Caps for Moooola program which helps students and schools. Since the start of the program five years ago, Longmont Dairy has donated over \$300,000 to local schools. Schools may spend their money as they wish and have used it for things such as purchasing iPads, additional PE activities, and field trips, all of which inspire students to redeem more caps.

Congratulations to Blue Mountain Elementary!

Dear Friends,

We are thrilled that we passed the 6,000,000 mark through our Milk Caps for Moooola program this last fall!!! Just ask Si and Gary about the time and energy it takes to pick up and handle all those caps! And how many kids, families, teachers, and schools does that take? Congratulations to the 370+ schools participating to help us achieve this milestone!

We hope 2019 is starting well for you. And we are so pleased to have our coffee to offer and some delicious recipes to share with your Sweetheart.

Enjoy winter and all it has to offer in Colorado!

Take care till next time,

Susan

Tips & Reminders

Cold Weather Caution:

Place a towel or blanket inside your milk box and we will bundle up your order to prevent freezing.
