## The Miracles of Spring!

### Enter the 25th Annual Poetry Contest

Write about "The Leprechaun and the Cow."

Leprechauns are those little fairies from Irish folklore. They look like little bearded men who wear green coats and hats. They are said to spend their time making and mending shoes. They have a hidden pot of gold at the end of a rainbow. If they are captured, they will grant three wishes to obtain their freedom. While they are not wholly good or bad, they do enjoy practical jokes.

What would a cow do if she came upon a Leprechaun while she was grazing in a field? What if she found his pot of gold? What if the pot of gold was filled with Milk Caps? What jokes might a leprechaun play on a cow? Would the cow give him some milk? Make up a wonderful story of your own. We can't wait to hear about the cow's adventures with a Leprechaun.

Prizes will be awarded by grade divisions. 1st place \$60; 2nd place \$40; 3rd place \$20.

Dear Friends,

I'm so excited Spring is right around the corner. We hope you've enjoyed trying the new products we've released in the last several months and always love hearing your feedback of what else you'd like for us to carry. As you can imagine, our Route Drivers manage quite a lot of inventory, so we must be very selective while also trying to bring you new and delicious items.

Speaking of Route Drivers, we are featuring one of our best this month. Travis Kozlowski has been a Driver of ours since August of 2002, and we are so grateful for his positive attitude and the tremendous work he does for us. Our Drivers brave all types of weather and stay very active at night bringing you your products. Thanks to Travis and the rest of our amazing team for making sure the milk makes it to your doorstep week after week. We couldn't do it without you!

Take care,

*Katie*
